

JASMIN LORD | BIOGRAPHY

German-Colombian actress Jasmin Lord was born in Stuttgart, 3 days before the Berlin wall has been torn down. After a family vacation in New York, she decided to study acting at the „New York Film Academy“ and moved to the Big Apple, after convincing the cleaning woman at the hotel to share a room with her. Whilst studying, she did a number of short films and theatre plays. After her degree in 2008, she moved back to Germany and started working successfully on film and television productions.
