

VICTORIA MAYER | BIOGRAPHY

Born in Münster, Victoria Mayer spent her childhood in Bremen and moved to Marburg with her family at the age of 13. After graduating from high school in 1995, she first worked as an assistant director at the regional theatre in Marburg, later in Munich and Salzburg. She soon realized that she would rather be on stage than taking the controlling role of director. Therefore she began her acting studies at the Theaterakademie August Everding in Munich. Since graduating in 2001, Victoria has worked successfully as a theatre and film actress and is actively working in national and international projects. For example in the feature film HIN & WEG, the television film WUNSCHKINDER (Director: Emily Atef) as well as in one of the leading roles in the British feature film GOOD FAVOUR, directed by Sundance discovery Rebecca Dealy.
