

## RENÉ IFRAH | BIOGRAPHY

René grew up in Brooklyn, NY. After being offered a role in a European television series during some time spent living in Europe, he moved to Berlin, Germany, in 1999. René's first leading role was in the film SEPTEMBER, directed by the award-winning Max Färberböck, which garnered him a lot of attention at the 2002 Cannes International Film Festival where it premiered. He followed this up by playing the lead in Miguel Alexandre's WITH LOVE FROM KASCHMIR, for which he was honored with one of Germany's most prestigious awards, the Grimme Prize for best actor in 2005. He also starred in CODE OF THE TEMPLARS, directed by Oscar nominated Florian Baxmeyer. IMDb Pro and IMDb
