Fanny

Ro

..

sch, born and raised in Munich in 1998, came to theater and film at an early age due to her family background. After graduating from high school, she worked on set in various positions for cinema and television films. From 2019 - 2023 she studied production and media business at the University of Television and Film in Munich. In addition to her work as a producer for feature films and documentaries, Fanny will be studying Directing at Filmakademie Vienna (2023-2024). Besides her studies she works on various concepts for series and films.
